

RESIDENT & BUSINESS SPONSORSHIP OPPORTUNITY

Dogs are allowed in all city parks, which means doggie stations are being installed to accommodate pet owners in picking up after their pets. However, the City needs your help to cover the extra costs. The City is looking for residents and businesses to sponsor \$250 for the station, which includes a sign recognizing you and/or your family/business, a box of bags, hardware, and installation. **The City of Delafield thanks you for your generosity and cooperation in keeping our beautiful city clean!**

\$250 Sponsorship - Park Locations Available
