Mill Street to Oakwood Drive  
Waukesha County

## TREE CLEARING AND UTILITY RELOCATION NOTICE

Dear Property Owner:

Waukesha County in conjunction with the City of Delafield has awarded the construction contract for improvements to Genesee Street to Musson Brothers of Brookfield, WI. Starting the week of February 22<sup>nd</sup>, tree removals are anticipated to begin within the CTH C right-of-way as preparations are made in order to start bridge and roadway construction in early June.

Tree removal and utility relocation work is expected to occur during the work-week between 7AM and 5PM. While crews are working, Genesee Street between Mill Street and Oakwood Drive may be reduced to a single lane. Delays should be anticipated.

Construction of the bridge and roadway improvements are anticipated to begin on June 8, 2016 and are anticipated to be completed by the end of November 2016.

I would like to take this opportunity to remind everyone of the safety hazards around a construction project. Driving at a reduced speed will make it safer for everyone concerned. Also, a highway project makes a very dangerous but attractive playground for children. Please warn them of the dangers and please keep them clear of the construction area.

If you have any questions or requests, please contact me at (262) 364-7515.

Sincerely,  
One Source Consulting

Craig Donze, PE  
Construction Project Leader
