

clean water association

Protecting Lake Country for future generations

Objectives

- * Bring the community together to protect our lakes
- * Provide a forum to review issues and solutions
- * Raise funding to research and implement actions that positively impact water quality
- * Amplify our voice on the regulatory issues that impact our lakes
- * Create a Community Board that will set and steer the priorities of the organization

Community Board

Representing all stakeholders

- * Lake Associations and Management Districts
 - * Government
 - * Farms
 - * Researchers and Engineers
 - * NGOs
 - * Business
-
- * Quarterly Meetings

Current Initiatives

- * Healthy Lakes Conference
- * Lake Science Academy
- * Clean Water Festival
- * Farmers of Lake Country
- * Volunteer Experiences
- * Field Demonstration Day
- * Oconomowoc Watershed Protection Program

Healthy Lakes Conference

5th Annual Lake Country Clean Water Festival June 26-27, 2015

The Lake Country Clean Water Festival, hosted by the [Pewaukee Lake Water Ski Club](#) in conjunction with the Pewaukee Kiwanis Beach Party, is celebrating its 5th anniversary this year! Since 2011, the festival has focused on raising awareness for the increasing need to preserve Lake Country's waterways and raising money for clean-up efforts so we can all enjoy the fun and beauty that the lakes bring to our community. The festival has also provided opportunities for all to enjoy the many recreational activities that our lakes afford from learning to water ski, to fishing, to pontoon boat rides, to ZUMBA and bootcamp on the beach, to paddle sports.

Thanks to the generosity of our sponsors, \$32,500 has been donated to local groups focused on water quality and education. Too, hundreds have visited our education tent to learn from local lake and lake advocates and have participated in water-related

2015 LAKE COUNTRY CLEAN WATER FESTIVAL SPONSORS:

Silver Sponsors

Bronze Sponsors

Event Highlights

Lake Education Tent

Fishing Clinic

Pontoon Rides

Paddleboards and Kayaks

Water Ski Show

Beer Tent and Bands

Farmers of Lake Country

Program Highlights
