**SUBJECT: MAYOR DEYOE NOT SEEKING RE-ELECTION**

---

City of Delafield Mayor Michele DeYoe will not seek re-election in 2018. DeYoe has served as Mayor since 2014. A 28-year resident of Delafield, DeYoe was appointed to the Common Council as Alderperson for District 4 in 2005. She currently chairs the Plan Commission and Del-Hart Waste Water Management Commission, in addition to serving on the Community Development Block Grant board for Waukesha County.

“I made the decision to announce my retirement at this time to give citizens ample time to decide if they are interested in running for Mayor. I also want to formally notify City staff so they are aware of my plans to step down next April.”
